Set & Props:

Please provide a brief description of your set and props, marking on the accompanying plan where necessary.

The Show takes place on board a space ship. There will be 4 8'x4' flats at the rear of the stage supported with braces and stage weights. 2 sections of 8'x4' stell deck raised to 1200mm with a set of treads attached. We would like to hang a white gauze on the first overhead bar it measures 4m wide by a 2m drop.

Props: 1x Suitcase, 1x Telephone, 2x Stools, 1x Pencil case and a selection of paper props.

Lighting:

In addition to the Venues general rig, what extras do you require? Please indicate preferred positions on the accompanying plan.

We would like 2x Source four Jr Zooms on floor stands at the back of the stage as a gobo wash. 1x 1000W PC hung (CS) as top light. 1x Large Strobe light. (Data Flash) 1x Haze Machine (USC). See attached plan.

Sound:

What are your sound equipment requirements? Please indicate if you will be providing it or would you like us to provide it?

Please also include any of the equipment listed on the Venue tech spec that you intend to use.

General Venue PA with CD playback. We would like to use a Keyboard (Supplied by the Pleasance) through the PA, therefore require a DI box and Jack Cable. We will also require 2 SM58 mics on stands.

AV:

Please provide a brief description of the AV used within your show, providing a detailed list of the equipment you will be bringing or intending to hire externally. The Pleasance Theatre are not responsible for the hire of AV equipment however details of a preferred supplier can be provided on request.

We Plan to project on to the white gauze (We are providing both projector and gauze) We have a cradle that fits our projector to rig from a front of house bar, and a 50m cable to be run to our Laptop.

Transport:

If applicable please provide details as to how you intend to transport your set and equipment to the venue. We would like to know the type of vehicle, dimensions and its estimated time of arrival in Edinburgh

We plan to drop off the set to the venue in a Long wheel base transit van. Its ETA is the 29/07/2010 at 18:00
