Artists' Venue Accessibility Guide

The table below details accessibility information for each of our Edinburgh fringe venues. Each venue has been assigned a rating as follows:

GREEN	Good accessibility - the venue is suitable for performers with limited mobility.
AMBER	Moderate accessibility - the venue is accessible, but some elements are not ideal and special provisions may be required and prepared for in advance.
RED	Poor accessibility - the venue is not suitable for performers with limited mobility.

If you have any questions regarding venue accessibility whatsoever, please don't hesitate to get in touch with us on access@pleasance.co.uk and a member of our team will be able to answer your questions.
