Synopsis

They've been sentenced to life, but maybe not this Christmas!

Join the mutt-ley crew of the Crappersea Dogs Home as they put their best paw forward for the Annual Rehoming Show. Can these old dogs turn new tricks? Do they have star pet-tential? Or are they all just simply too ruff?

Sillier than a Shih Tzu and prouder than a Poodle, this pack of queer canines will have you rolling (over) in the aisles as they do anything for appaws. But who will be crowned Top Dog and who'll be left pining for presents in the pound? You decide!

Forget Cats, in 2021 it's all about Dogs!

Created by **Ginger Johnson** (the twisted mind behind *Sink The Pink's Escape from Planet Trash* & *How To Catch A Krampus*) and **David Cumming** (co-creator of *Spitlip's Operation Mincemeat* & *BAC Beatbox Academy's Frankenstein: How To Make A Monster*).

Full cast to be announced soon.
