Synopsis

Brooke, Jude and Gemma are three ordinary galz with extraordinary dreamz. After forming girlband SHUGA FIXX and winning the Triple Threat Teen Awards they fly straight to the top of the charts, and unwittingly straight into the cold reptilian hands of... THE ILLUMINATI.

Featuring tearaways, rhinestoned lizards and original pop hitz, *SHUGA FIXX vs The Illuminati*, provides a sugar-coated, outrageously silly, high-camp antidote for these strange times.

A satirical black comedy about the dark absurdity of conspiracy theories, our treatment of celebrities and the rise of fear culture.

Supported by Arts Council England.
